ACTOR 2: LADY MACBETH SIDE

LADY MACBETH

The raven himself is hoarse
That croaks the fatal entrance of Duncan
Under my battlements. Come, you spirits
That tend on mortal thoughts, unsex me here,
And fill me from the crown to the toe top-full
Of direst cruelty! make thick my blood;
Stop up the access and passage to remorse,
That no compunctious visitings of nature
Shake my fell purpose, nor keep peace between
The effect and it! Come to my woman's breasts,
And take my milk for gall, you murdering ministers,
Wherever in your sightless substances
You wait on nature's mischief! Come, thick night,
And pall thee in the dunnest smoke of hell,
That my keen knife see not the wound it makes,
Nor heaven peep through the blanket of the dark,
To cry 'Hold, hold!'

ACTOR 2: LADY MACBETH CALLBACK 1

I.7

MACBETH

How now! What news?

LADY MACBETH

He has almost supp'd: why have you left the chamber?

MACBETH

Hath he ask'd for me?

LADY MACBETH

Know you not he has?

MACBETH

We will proceed no further in this business.
He hath honor'd me of late; and I have bought
Golden opinions from all sorts of people,
Which would be worn now in their newest gloss,
Not cast aside so soon.

LADY MACBETH

Was the hope drunk
Wherein you dress'd yourself? Hath it slept since?
And wakes it now, to look so green and pale
At what it did so freely? From this time
Such I account thy love. Art thou afeard
To be the same in thine own act and valor
As thou art in desire? Wouldst thou have that
Which thou esteem'st the ornament of life,
And live a coward in thine own esteem,
Letting 'I dare not' wait upon 'I would,'
Like the poor cat i' the adage?

MACBETH

Prithee, peace:
I dare do all that may become a man;
Who dares do more is none.

Orlando Shakes *Macbeth* Sides
Directed by Irwin Appel

LADY MACBETH

What beast was't, then,
That made you break this enterprise to me?
When you durst do it, then you were a man;
And, to be more than what you were, you would
Be so much more the man. Nor time nor place
Did then adhere, and yet you would make both:
They have made themselves, and that their fitness now
Does unmake you. I have given suck, and know
How tender 'tis to love the babe that milks me:
I would, while it was smiling in my face,
Have pluck'd my nipple from his boneless gums,
And dash'd the brains out, had I so sworn as you
Have done to this.

MACBETH

If we should fail?

LADY MACBETH

We fail!
But screw your courage to the sticking-place,
And we'll not fail. When Duncan is asleep--
Whereto the rather shall his day's hard journey
Soundly invite him--his two chamberlains
Will I with wine and wassail so convince
That memory, the warder of the brain,
Shall be a fume, and the receipt of reason
A limbeck only: when in swinish sleep
Their drenched natures lie as in a death,
What cannot you and I perform upon
The unguarded Duncan? what not put upon
His spongy officers, who shall bear the guilt
Of our great quell?

MACBETH

Bring forth men-children only;
For thy undaunted mettle should compose
Nothing but males. Will it not be received,
When we have mark'd with blood those sleepy two
Of his own chamber and used their very daggers,
That they have done't?

LADY MACBETH

Who dares receive it other,

Orlando Shakes *Macbeth* Sides
Directed by Irwin Appel

ACTOR 2: LADY MACBETH CALLBACK 2

LADY MACBETH

Yet here's a spot.

Doctor

Hark! she speaks:

LADY MACBETH

Out, damned spot! out, I say!--One: two: why, then, 'tis time to do't.--Hell is murky!--Fie, my lord, fie! a soldier, and afeard? What need we fear who knows it, when none can call our power to account?--Yet who would have thought the old man to have had so much blood in him.

Doctor

Do you mark that?

LADY MACBETH

The thane of Fife had a wife: where is she now?--What, will these hands ne'er be clean?--No more o' that, my lord, no more o' that: you mar all with this starting.

Gentlewoman

She has spoke what she should not, I am sure of that: heaven knows what she has known.

LADY MACBETH

Here's the smell of the blood still: all the perfumes of Arabia will not sweeten this little hand. Oh, oh, oh!

Doctor

What a sigh is there! The heart is sorely charged.

LADY MACBETH

Wash your hands, put on your nightgown; look not so pale.--I tell you yet again, Banquo's buried; he cannot come out on's grave.

Orlando Shakes *Macbeth* Sides
Directed by Irwin Appel

As we shall make our griefs and clamour roar
Upon his death?

MACBETH

I am settled, and bend up
Each corporal agent to this terrible feat.
Away, and mock the time with fairest show:
False face must hide what the false heart doth know.
